

BILL RAMIREZ FERNANDEZ

7100-0570 | Pérez Zeledón | bill.ramirez.fernandez@gmail.com

I am a Computer Engineering Student, looking to solve real problems and improve my software and web development knowledge. I have passion for learning and sharing my knowledge with others. Currently looking forward to join a proactive, innovative team filled with empathic people where I can continue growing both personally and professionally. I enjoy transforming complex problems into simple and intuitive solutions.
